

Caselex is a unique and fast-growing legal information service aimed at serving competition law professionals around the world. Working with our team of national editors, we have developed a comprehensive database of English market definition summaries from merger control decisions delivered by 54 competition authorities around Europe, North and Latin America, Asia and Oceania. Having launched the service in 2017, our client portfolio has grown rapidly to over 100 leading law firms and competition authorities.

Caselex is hiring – trainee to join our editorial team

Caselex is looking for a trainee to join our editorial team in Utrecht for a period of at least 6 months. We offer a unique international working environment whereby you will be fully involved in our core processes from the outset, producing content, managing production and contributing to new product developments. The position is available as of 1 August.

If you like competition law, your English is close to perfection and editorial work is your thing, you should definitely apply!

Your qualifications

- LLM in law (or soon to finish) with a focus on competition law or law and economics
- Native or close to native level of English and, ideally good knowledge of other European languages
- Some editorial experience, including editorial management is a big plus
- A real team player with stamina
- Hands on, proactive and eager to learn & develop
- Flexible working attitude and willing to jump in where needed.

Our offer

- A great opportunity to work in an international legal environment
- A job where you can make a difference from the outset
- Immediate and huge room for growth and personal development
- The nicest colleagues you can imagine
- A very competitive remuneration
- The possibility to stay on after 6 months
- A true asset to your CV
